

# Avv. Jacopo Dirutigliano, Ph.D.

## BIO

---

I'm a lawyer registered with the Turin Bar Association, and I received my PhD in Law, Science and Technology from the Universities of Bologna and Luxembourg. I'm also "*cultore della materia*" in Legal Informatics at Alma Mater Studiorum – Università di Bologna, member of the "Law and Technology Group" of the University of Turin, and member of the Commission on AI of the Turin Bar Association.

The main topics of my research field are data protection law, the right to explanation, explainable AI, and information technology law.
