

EUROPEAN CURRICULUM VITAE OF SCABINI SILVIA

PERSONAL DATA

Surname, Name	SCABINI, SILVIA
Membership	Società Italiana di Malattie Infettive e Tropicali (SIMIT) since 2014 European Society of Clinical Microbiology and Infectious Diseases (ESCMID) since 2019

EDUCATION AND TRAINING

University Qualifications

<u>Bachelor Degree in</u>	Medicine and Surgery, MD
Institution	Università degli studi di Genoa, Genoa, Italy
Achievement date	July 16, 2013
Degree mark	110/110 <i>cum laude</i>
ISCED	5°
Thesis title	Epidemiology, risk factors, mortality correlated with multidrug-resistant <i>Klebsiella pneumoniae</i> in ICU.
Thesis supervisor	Professor Valerio Del Bono
<u>Specialisation</u>	Infectious Diseases and Tropical Medicine Institution
Institution	Università degli studi di Torino, Torino, Italy
	December 10, 2019
	70/70 Cum Laude, Recommendation for publication and Honours
	Epidemiology and risk factors for bloodstream infections in burn patients
	Professor Giovanni Di Perri

Other educational qualifications

Degree	High School Diploma
Institution	Liceo Classico Mazzini, Genoa, Italy
Achievement date	July 2007
Degree mark	89/100

WORK EXPERIENCE

Date	JANUARY 2020– To DATE
Occupation Held	Infectious Disease Consultant
Institution	Città della Scienza e della Salute Hospital, Turin, Italy

Main activities and responsibilities	Clinical management of patients admitted into COVID-19 wards, infectious disease consultation in ICU, Transplant Unit, Burn unit, surgical and medical wards.
--------------------------------------	---

Date	NOVEMBER 2014 – DECEMBER 2019
Occupation Held	Post-graduation in Infectious Diseases and Tropical Medicine
Institution	Amedeo di Savoia hospital, Medical Sciences department, University of Turin, Turin, Italy. Director Professor Giovanni di Perri.
Main activities and responsibilities	Clinical practice in infectious diseases and tropical medicine ward; Research activities on HIV, TBC and pharmacokinetics of antivirals; Teaching activities on infectious diseases for Nursing degree course, University of Turin. Teaching activities on ultrasound for infectious diseases registrars.

Date	AUGUST 2018– NOVEMBER 2018
Occupation Held	Clinical visiting Fellow
Institution	Dr. Ambrosoli Memorial Hospital, Kalongo, Agago district, Uganda. Hospital Chief Executive Officer Dr. Godfrey Smart
Main activities and responsibilities	Average number of inpatients per day: 30; most commonly treated diseases: malaria, AIDS, sickle cell disease, pelvic inflammatory disease, meningitis, pneumonia, infective gastroenteritis, tuberculosis, organophosphate poisoning and snake bite. Seminars for nurses and doctors on infectious diseases topics. Teaching activities on ultrasound for infectious diseases registrars.

Date	JUNE 2018– JULY 2018
Occupation Held	Research visiting Fellow
Institution	Infectious Diseases Institute, Mulago Hospital, Makerere University, Kampala, Uganda. Head of Department Dr Mohammed Lamorde.
Main activities and responsibilities	Clinical research, collection of data at the HIV outpatient clinic. The primary aim was to compare DXA (bone densitometry) and calcaneal QUS (quantitative ultrasound) results in the evaluation of bone mineral density in a population of Ugandan HIV-infected patients receiving long-term ART.
