

Federica Neve VIGOTTI

MD, Specialist in Nephrology

WORK EXPERIENCE

ASL City of Turin, Martini Hospital — *Nephrology Consultant*
SEPTEMBER 2018 - PRESENT

ASL TO3, Agnelli Hospital Pinerolo — *Nephrology Consultant*
JANUARY 2017 - SEPTEMBER 2018

ASL TO4, Chivasso Hospital — *Nephrology Consultant*
JULY 2015 - JANUARY 2017

ASL TO3, Susa Hospital — *Internal Medicine and Emergency Department Consultant*
DECEMBER 2014 - JULY 2015

University of Turin, San Luigi Hospital — *Fellowship and Research Grant in Nephrology*
APRIL 2013 - NOVEMBER 2014

EDUCATION and TRAINING

University of Turin, Molinette Hospital — *Nephrology Residency*
2006 - 2011 Grade 70/70 cum laude

University of Turin, San Luigi Hospital — *Master's Degree in Medicine and Surgery*
1999 - 2005 Grade 110/110 cum laude

A. Volta Scientific High School of Turin — *Scientific Maturity*
1999 Grade 100/100 cum laude

PROJECTS and ACTIVITIES

Scientific and research activities, teaching and tutoring

- Beyond **50 scientific publications** indexed in PubMed [7 as first author]
- Beyond **60 conference presentations** (free lectures e posters).
- Member of the **editorial board with peer reviewing activities for the Giornale Italiano di Nefrologia and the Journal of Nephrology**
- Trials: Transplantation EVIDENCE and ART study; Nephrology REN-IRE, PROTE-REN, EQUAL, POLY-FE-RE; Dialysis COVID-VAX dialysis.
- Teaching activity for training nursing staff on ultrasound-guided venipuncture AVF for dialysis (theoretical-practical course, 6 editions)
- **Tutor of the MEPIO ultrasound master** University of Turin
- **Thesis tutor** of nursing master's degree on clinical ultrasound, nutrition in MRC, medical humanities; tutor for medical and nursing degree theses on nutrition and chronic kidney disease.
- Co-supervisor for a master's thesis in nursing on kidney transplant from living donor and on ultrasound for ideal dialysis weight.

SPECIFIC PROFESSIONAL SKILLS

Clinical Ultrasound (PoCUS) in emergency-urgency and nephrology and dialysis.

EchocolorDoppler and ultrasound-guided venipuncture for central and peripheral vascular access.

Vascular access for hemodialysis.

Chronic hemodialysis and dialysis treatments in critical areas.

Scientific communication and medical humanities.

Pregnancy in nephropathies.

Living donor kidney transplant.

Dietary treatment of chronic renal failure.

MaReA and kidney pre-transplant referent.

LANGUAGES

English level C1; French level A2

CERTIFICATES

ACLS - AHA (Advanced Cardiopulmonary Resuscitation) 2022 and 2024

SIUMB (Clinical Ultrasound) 2018 and 2021

SIMEU (emergency medicine) 2018

MEMBERSHIP

Active member SIN and ERA-EDTA.

Contests and prizes

- 2020 **Winner national contest “Rising Stars in Nephrology”** - communication in Nephrology through social channels and new media.
- 2019 Award Ceremony **national narrative medicine competition in Nephrology “Quirino Maggiore”**.
- 2008 - Best oral communication 49th SIN congress.

Communication and medical humanities projects

- Since March 2024, **promoter and curator of the WiN (Women in Nephrology) video interviews project** of the Italian Society of Nephrology (more than 15,000 visualization)
- Since February 2023 member of the Communication group of the Italian Society of Nephrology and **content creator responsible for the Instagram page SIN** (2500 followers)
- 2021 Speaker at the FIR/SIN national online event “Living well with kidney disease” for the World Kidney Day.
- 2019 Promoter and coordinator of the publication of the **book “From one to the other side of the filter - Dialysis stories”**- Legatoria Monti, print run 500 copies, for crowdfunding purposes for the purchase of a portable ultrasound for dialysis.
- 2018 Realization **video interview “We are silk threads”** on chronic kidney disease, dialysis and transplantation, screened at the 59th SIN Congress 2018.

Interventional Nephrology

- Over 70 AVF interventions [over 45 as 1st operator]
- Over 70 CVC placement interventions for HD [over 40 as 1st operator].
- Over 1000 procedures of ultrasound-guided venipuncture FAV and ultrasound-guided placement of medium-long term deep PVCs.
- Over 1000 PoCUS exams.
- Over 1000 FAV ultrasound and Doppler exams.
